

School Holiday Program Babies Room!

Our five senses!

As the children continue to develop so too does their curiosity in the world in which they live. Over the next couple of weeks, we will be exploring our five sense within the room. Touch, smell, taste, sight and sound, how do we use these daily what new discoveries will we make?

Krystal- Touch we will be exploring everything to do with textures.

Rachel- Taste, exploring our tastebuds as we trial some new foods, sweet, sour and savoury.

Geri- Sound, exploring the world in which we live and daily sounds.

Lisa- Sight, what do we see around us, what new things can we see?

Madi- Smell, we will be exploring smell strong and subtle sounds around our daily environments.
